

First ever PLA 3.0 Open Trainings in Mumbai, India January 2019

Dear Max

Our training course and workshop are designed for PLA 3.0 users who want to **bring their skills to the next level**. It is the most proper way to master the advanced features of PLA 3.0.

And who better to take you through the learning process than the founder and CEO of Stegmann Systems, Dr. Ralf Stegmann.

Don't miss this unique opportunity to attend our first ever training in Mumbai. Besides being **one of the largest and most exciting cities in the world**, the weather at this time of year will be perfect. Looking forward to seeing you there!

PLA 3.0 Super User Training - January 7-8 - [More Information](#)

PLA 3.0 Advanced Analysis Workshop - January 9 - [More information](#)

Book before **November 15th** and **save up to 10%**.
