Dear Max,

Have you noticed that we'll be in California this April? This years' West Coast PLA 3.0 Open Training will take place at the Hilton San Francisco Financial District. Use this great opportunity to learn how to operate the PLA 3.0 software from someone who really knows it inside out - our CEO Dr. Ralf Stegmann. By taking a training, you are going to improve your knowledge of the software significantly and discover new, effective ways to work with it. You will be surprised at the difference this will make.

For more information and a registration to our open PLA 3.0 trainings event, please visit our [website](#).

For any further questions, please contact Tanja Farrenkopf, our Sales Manager, via [email](#).
