Dear Max,

With regard to our next PLA 3.0 Open Training in Boston, MA, USA and our trainings in general, I put together some frequently asked questions and our answers.

When will the next Training take place?
Boston, MA, USA on October 7-9, 2019:
// PLA 3.0 Super User Training: October 7-8, 2019
// PLA 3.0 Advanced Analysis Workshops, October 9, 2019

How to book a Training?
You can send us an e-mail and request a quote. We also set up an event page with Eventbrite (Payment options: PayPal and credit card).

Who is going to be the trainer?
For our next PLA 3.0 Open Training in Boston, MA, USA, your trainer will be Dr. Ralf Stegmann (our CEO and founder of the PLA software).

What about training certificates?
Each participant will receive a certificate upon completion of the training. Attendance is required, but no test.

Are food and beverages included in the price of the training?
Food and beverages are included. Please let us know in advance if you suffer from food allergies or require a special diet.

Do I need my own computer?
During the training session, you will have the opportunity to try the methods described on your own in several exercises. In this regard, please bring your laptop computer with external mouse with you to the trainings event.

If you have any further questions, please contact our Sales Manager Tanja Farrenkopf via email.
