Did you hear about our PLA 3.0 Super User Training and the PLA 3.0 Advanced Analysis Workshop or our PLA 3.0 End User Training?

In our Super User Training, you gain a deep understanding of PLA 3.0 in 12 hours (2 days). You don't need such comprehensive knowledge, or you have less time? Then our PLA 3.0 End User Training is the right choice for you. In 3.5 hours (1/2 day) you gain solid basic knowledge about PLA 3.0, which you can deepen later with a PLA 3.0 Super User Training.

For everyone who wants to get a much deeper and more scientific view on PLA 3.0, we offer our one-day (6 hours) PLA 3.0 Advanced Analysis Workshop.

And because of the still ongoing situation, we significantly reduced our training rates so you can gain more knowledge for your budget.
