[Meet our CEO at our booth or as a speaker, instructor](#)

Dear Max,

The 14th Immunogenicity & Bioassay Summit is held on 03-06 October 2022 in Washington, D.C., USA. Our CEO Dr. Ralf Stegmann is going to participate. You can find him at our booth or in the Workshop 'W1: Biostatistics for Beginners'.

Ralf and Nancy Sajjadi (Independent Quality Consultant at Sajjadi Consulting) are booth speakers, instructors in this workshop on Monday, 03 October. Besides a lot of knowledge, all workshop attendees will get a free sponsored lunch from us.

"The workshop is intended for people who generate or review bioassay data, but have minimal training in statistics. This slower paced course will help participants understand the meaning of commonly encountered statistical information and expand their knowledge of fundamental concepts and tools that are applicable to their daily work."\*
